Dear Ms. Brown:

Fanshawe College confirms that the program standard for the Construction Engineering Technology Program (APS#01018; MTCU Code 68200) will be fully implemented for all students entering the first semester of the program in September 2017. Full implementation ensures that the curriculum provided allows graduates to meet or exceed the vocational standard and the essential employability skills standard. It also involves the provision of the requisite courses to comply with the general education requirement.

Yours sincerely,

Peter Devlin, President  
Fanshawe College
