Re: Late Change Request to Degree Audit for DSW4

2011/2012 Catalogue

Slight change only – switching two courses around – rationale makes sense and it does not affect any current students.

Reason for late change _____
 The DSW Program (Fast Track) requests permission to move BSC1105 Field Placement I from DSW42 to DSW43. This is a result of feedback from students and field agencies that one day per week of placement is inadequate. By moving BSC1105 to DSW43 the Fast Track students will be on placement 2 days per week. This will give them a better field placement experience. So even hours and academic course will be moved from DSW43 to DSW42. If the change is a correction to the Degree Audit, identify the impact on current students (please review and submit student EVALS with submission to determine possible impact) *will also relieve pressure on students to next PARAMED reg.*
 No impact on current students. This will be implemented for the September intake of the DSW Fast Track Program. (2011)
