Dear Ms. Brown:

Fanshawe College confirms that the program standard for the Protection, Security and Investigation Program APS# 1048; MTCU Code 53007 will be fully implemented for all students entering the first semester of the program in September 2011.

Full implementation ensures that the curriculum provided allows graduates to meet or exceed the vocational standard and the essential employability skills standard. It also involves the provision of the requisite courses to comply with the general education requirement.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Dr. Howard Rundle'.

Dr. Howard Rundle, President
Fanshawe College
