Dear Ms. Brown:

Fanshawe College confirms that the program standard for the *Business Foundations Program (APS# 1264; MTCU Code 40208)* will be fully implemented for all students entering the first semester of the program in September 2014. Please note that upon receipt of the letter of confirmation from the Ministry, we will change the program name to *Business Fundamentals*.

Full implementation of the program standard ensures that the curriculum provided allows graduates to meet or exceed the vocational standard and the essential employability skills standard. It also involves the provision of the requisite courses to comply with the general education requirement.

Yours sincerely,

Dr. Howard Rundle
President
