Dear Ms. Brown:

Fanshawe College confirms that the program standard for the Nutrition and Food Service Management Program (APS#01268; MTCU Code 53204) will be fully implemented for all students entering the first semester of the program in September 2017. Full implementation ensures that the curriculum provided allows graduates to meet or exceed the vocational standard and the essential employability skills standard. It also involves the provision of the requisite courses to comply with the general education requirement. It is due to an oversight that implementation will occur in 2017 instead of 2016.

Yours sincerely,

Peter Devlin, President
Fanshawe College
