**VALIDATION DECISION**

We have completed our validation of your proposal for the **Supply Chain Management** program submitted to us on **March 14, 2013**.

Please accept this as our validation of your proposal. As a signal of our validation decision, we have assigned the following Approved Program Sequence (APS) number to your program: **FANS 01296**.

We have submitted the documents received from you to the Colleges Unit, MTCU in keeping with the indication on your proposal that you are planning to seek Ministry funding approval. However, please be advised that you will now need to submit the remaining documentation to the Ministry to complete the approval for funding request. The outstanding documents required for the Ministry's funding approval decision are the Board Attestation form, signed by your college president, and the Program Delivery Information (PDI) form. Please submit these directly to the Ministry.

We would also ask that you forward us a copy of the documentation confirming the program's accreditation/recognition by the three bodies indicated in Appendix D of the application form, once you have received it.

The Ministry will reply separately to your request for funding approval of your program.

Sincerely,

*André Diez de Aux*
