VALIDATION DECISION

We have completed our validation of your proposal for the modification to the title of your **Golf and Recreation Club Management** program to **Golf and Club Management**, which was submitted to us on **July 23, 2012**.

Please accept this as our validation of your proposal. After a review of current usage of this terminology with existing programs in the system, it was determined that the proposed title would be validated. It is understood this modified title will become effective for the program with the students entering in **the fall of 2012**.

Please note the existing MTCU code (**52220**) and the current APS Number (**FANS 01246**) will not change for this program.

I have sent your documents on to the Colleges Unit, MTCU for their information and records.

Sincerely,

Tim Klassen
