PROGRAM/CURRICULUM "RATIONALE FOR CHANGES"

All requests for changes to programs of instruction must be submitted to the Registrar's Office by December 1st each year for changes to be implemented for the following September intake. All changes require the approval of the Dean and possibly the VPA's Office, if significant.

REMINDER: We need to ensure that changes are made properly and in a timely manner to: maximize student success; optimize employment preparation; meet all quality and integrity responsibilities to MTCU, PQAPA and our Board of Governors; and meet community expectations.

- The **Program/Curriculum "Rationale for Changes"** should be completed using this template and all areas must be completed. An electronic copy of this document should be submitted to the Registrar's Office.
- The Dean/Chair responsible for the program should consult with other affected schools and obtain the appropriate sign-offs on a paper copy of this document. Once all consultations and sign-offs have occurred, the paper copy should be submitted to the RO
- Course Request Forms must also be submitted electronically to Strategy and Planning for all new courses. These will be forwarded to Scheduling following approval of the changes by the Dean and possibly the VPA's Office.

Program Title	Office of the Registrar and Travel	
Program Alpha & Number	TTC3	✓
Effective Catalog Year	2011/12	

Please answer each of the questions below, if applicable. Missing or incomplete information may delay approval and/or implementation of the proposed changes.

2.0 Rationale for Changes

2.01 Provide a brief description of the reasons for the proposed changes.

TOUR-1002 (Tourism In Canada) move from level 1 to level 2 Changed to TOUR- 1005 (Introduction to the Tourism Industry)

Change is being adopted by HMT3, FBM3 and GRM1. All programs deliver a similar course with similar outcomes. This change aligns all programs with one course number with much more visible transferability between programs.

2.02 Students

- Are changes a response to student feedback? Or our Programs Data Report - Weak Factors? (summarize how changes address this issue)

- How will changes affect student learning and success? (describe evidence to support this)
- How will changes affect cost of the program for students? (e.g., materials fees; equipment fees - laptop program; OSAP implications)
- How will changes affect the flow of the program?

2.03 Relationship of Program to Industry

- How do changes reflect trends in the field or in industry? (Provide data regarding industry and/or professional trends.)

2.04 Program Learning Outcomes

- How do the changes align with Ministry outcomes? (Provide a copy of the completed program map indicating gaps/overlaps that are being corrected)

2.05 Relationships with Other Fanshawe College Programs

- Is this course in a laddered program or part of any other Fanshawe College program?

2.06 Relations with Other Post-Secondary Programs

- How will the changes affect transfer agreements with other post-secondary institutions?
- What discussions have been initiated with these institutions regarding the changes?

2.07 Changes on Fit of Program with general College Requirements for Programs

- How do changes affect the fit of the program with the College's strategic plan, program mix, general education requirements, marketing?
- Are changes consistent with Colleges policies/practices? (Identify specific areas where policies/practices need to be altered if program changes approved.)

3.0 Consultation Regarding Proposed Changes

This decision was made unanimously between the co-ordinators of the three programs involved in order to create transferability between programs.

3.01 Consultation With Program Advisory Committee

- Indicate feedback from the program advisory committee regarding the changes.

3.02 Consultation With Other Programs/Schools/Services

- What programs/schools/services have been consulted?
- What feedback and suggestions have been offered through consultation?

4.0 Resource Implications of Proposed Changes

This change will save on classroom space and faculty hours because it will no longer be delivered to separate programs, but rather to all students of the three programs in two hours.

4.01 Staffing

- Outline all staffing consequences, both for the program and related areas.

4.02 Services

- Outline all consequences on other areas.

4.03 Space or Technology Requirements

- Outline how changes affect space and/or technology requirements.

4.04 Budgetary Implications

- Outline budgetary implications (include consequences on other schools such as increase/decrease in teaching hours required)
- Outline changes to materials fees.
