Please answer each of the questions below, if applicable. Missing or incomplete information may delay review of the proposed changes.

1.0 Describe proposed change(s). Complete Appendix A (if necessary) and amend SDAR (Refer to Appendix C).

There has been an error on this Degree audit since 2004/5 where by group 3 under level 2, reads

NRSG-5019 Health and Transitions RPN

NRSG-1051 Health Promotion

It should read:

NRSG-5019 Health and Transitions

PHRM-5002 Pharmacology

This would match group 1 and group 2, as they list alternative Health and Transitions courses along with a pharmacology course

Health and Promotion is already in the Degree audit under level ³~~4~~ as NRSG-1016 Health Promotion

One of our students is unable to graduate at this time due to this error, and we would like to have her graduate in the November graduation

This does not impact hours in the program or any other areas of the degree audit ✓

Also, these groupings are in the degree audit to enable the Practical nurse certificate students to graduate with a diploma, therefore there is no impact to the Woodstock program or the Full and Part-Time practical nurse program.

Hi Tracy

The lead chair is Sandra DeLuca, and she has signed off as well at the bottom of the document.

Hi Susan.

Are you able to sign off on this? This will have no effect on the Woodstock program as we are amending group 3 – which pertains to the students out of part-time studies.

Thank you
Anabela
