The Ministry of Training, Colleges and Universities has assessed your proposal, dated July 26, 2012 to offer a program entitled Project Management. The Credentials Validation Service validated the program on April 17, 2012.

The Ministry is pleased to approve this program for funding.

The approved title, which must appear on the Ontario College Graduate Certificate and other information to be included on the approved programs list are shown above.

This also confirms ministry approval of the proposed annual tuition fee of \$3,500.00 for this new high demand program. Please note that the tuition fee may be increased by a maximum of up to 8% annually for the first year of one year and multi-year programs, and by up to 4% for subsequent years. Please also note that enrolment in basic programs will be included in the calculation of the percentage of basic enrolment in high demand programs.

Yours sincerely,

Joanne Brown
