**PROGRAM VALIDATION DECISION**

We have completed our validation of your application for the **Electronics and Embedded Systems Development** program submitted to us on August 11 2015 and leading to the conferring of an **Ontario College Graduate Certificate**.

Please accept this as our validation of your proposal. As a signal of our validation decision, we have assigned the following Approved Program Sequence (APS) number to your program: **FANS 01326**.

A copy of this validation decision is being sent to **Colleges Unit, MTCU** for their information and records.

However, in keeping with the **Colleges Unit, MTCU** process for college program funding approvals, we have not sent your documents to the Ministry. Please be advised that you need to submit the documentation directly to the Ministry to complete the approval for funding request, if applicable.

The required documents for the Ministry's funding approval decision are the Board Attestation form, signed by your college president, the Program Delivery Information (PDI) form, and the completed Application for Program Validation form (CVS).

The Ministry will reply separately to your request for funding approval of your program.

Sincerely,

*Geneviève Paquette*
