Please answer each of the questions below, if applicable. Missing or incomplete information may delay review of the proposed changes.

1.0 Describe proposed change(s). Complete Appendix A (if necessary) and amend SDAR (Refer to Appendix C).

In order to improve student satisfaction and success, we are recommending a reduction in the number of courses in the fall semester. The complimentary topics covered by MGMT5054 Business & Consumer Events and MGMT5022 Not for Profit Marketing will be merged into one new course MKTG5008 Nonprofit and Event Marketing. Based on student and faculty feedback, this would reduce overlap and maximize synergies as events are a common marketing tool used by nonprofit organizations. This change was documented in the 2016 Program Review Action Plan.

The reduction of 30 course hours incurred by this change will be compensated for by the addition of 30 course hours in levels 2 and 4 of the Business Marketing diploma program.
