## **Program Validation Decision**

We have completed our validation of your application for the Mobile Application Development program submitted to us on October 21, 2020 and leading to the conferring of an Ontario College Graduate Certificate.

Please accept this as our validation of your proposal. As a signal of our validation decision, we have assigned the following Approved Program Sequence (APS) number to your program: FANS04040.

A copy of this validation decision is being sent to Ministry of Colleges and Universities (MCU) for their information and records.

Sincerely,

Karen Belfer
