Dear Dr. Rundle:

RE: PROGRAM MODIFICATION

- Program - Recreation and Leisure Services
- MCU Code - 52203
- APS Number - FANS01079
- Effective Date - March, 1997

As you may know, the ministry has received a request to change the title of programs currently approved with the title Recreation Leadership. The proposed new title is Recreation and Leisure Services. Although there is a standards project still in progress for these programs, we have decided to proceed with approval for the title change at this time.

In the course of consultations for the standards project, a number of questions regarding program classifications and unique programs have arisen. These questions should be resolved in the near future with the conclusion of the project, and further program modifications may be processed at that time, as necessary.

Please accept this letter as approval of the proposed new title.

The approved title, and other information to be included on the approved programs list are shown above.

Yours sincerely,

Janet Hope
