Dear Ms. Bram:

Further to your letter of August 30, 2010, Fanshawe College confirms that the following program standards have been fully implemented for all students entering the first semester of the programs in September 2010:

- 1) Internet Applications and Web Development Fundamentals Program (APS#01252; MTCU Code 40513);
- 2) Business-Human Resources Program (APS#01217; MTCU Code 50223);
- 3) Dental Hygiene Program (APS#01232; new MTCU Funding Code 51628);
- 4) Journalism Program (APS#01047 and 01234; MTCU Code 52006)

Full implementation ensures that the curriculum provided allows graduates to meet or exceed the vocational standard and the essential employability skills standard. It also involves the provision of the requisite courses to comply with the general education requirement.

Yours sincerely,
