Dear Ms. Brown:

Fanshawe College confirms that the program standard for the Business Program (APS#01287; MTCU Code 50200) will be fully implemented for all students entering the first semester of the program in September 2018. Full implementation ensures that the curriculum provided allows graduates to meet or exceed the vocational standard and the essential employability skills standard. It also involves the provision of the requisite courses to comply with the general education requirement.

Yours sincerely,

Peter Devlin, President
Fanshawe College
